SPRING 1958

Landscape Service

We are well equipped with material and trained men to give our usual care and attention to your planting requirements.

Phone CApital 9-2587 for an appointment so that we may call on you to make suggestions.

When plans are necessary a moderate charge will be made, which will be credited to the customer's account when the order is placed.

Plant Market

We have a plant market near our office, primarily for customers who wish to buy plants to take home and plant themselves.

This market will be stocked with most varieties listed in the catalog ready to be put right in your car. All plants will be labeled and priced. You will be able to make your selection without waiting.

Gift Certificates

For that Special or out of season gift. A gift certificate (for any amount or specified plant material) may be had upon request.

Replacement Policy

Plant material not living one year after planting will be replaced once at ½ cost plus labor charges — provided the account is paid within 60 days from the date of billing or agreed upon terms of sale, and provided the plants have received proper care.
